Tanya Watson, Headteacher
William Tyndale School
Upper Street
Islington
London N1 2GG

Dear Tanya,

I wanted to write to you to congratulate the staff and students at William Tyndale School on the school's recent KS2 results.

Please pass on my appreciation to all the members of your school's community who have worked so hard. As more and more children achieve good results, we can be confident that local young people have the chance to go on to success in further study or starting work.

I hope you enjoyed a relaxing break and wish you all the very best and further success for 2014.

Yours sincerely

Cllr Richard Watts
