

February 2023

Dear Parents and Carers

Spring Term Parent Conferences on Wednesday 8th and Thursday 9th March

Spring term parent conferences will take place **in school** on **Wednesday 8th** from **4pm - 7pm** and **Thursday 9th March** from **4pm - 6pm**.

You will have an opportunity to view your child's work before the conference, so please arrive 10 minutes early to see the work that will have been set out for you. The conference will involve a conversation with the class teacher, during which you will be given feedback on the progress your child has made since the beginning of the year, including their social interactions and behaviours for learning. For Years 1-6, you will also receive a teacher judgement on whether your child is currently working below, within or at greater depth **within the expectations for this time of year** in reading, writing and maths.

The school uses EduSpot's *Teachers2Parents Parents Evening System* to organise appointments. On **Wednesday 22nd February**, you will receive an email and a text inviting you to book an appointment with your child's class teacher (you can follow either link to do so). If you have more than one child at William Tyndale, you will receive a separate notification to book each conference. The system will show your child's name and the name of the class teacher.

You will need your EduSpot login and your child's name.

If your child is currently on the school's SEND register, you will receive communication from Olivia (SENDCo) with an appointment time, so you **should not** sign up through Teachers2Parents.

With best wishes

Bea Mayer
Assistant Head Teacher
