William Tyndale  
Primary School

## **An exceptional education for all**

3rd September 2021

It has been so lovely to welcome you all back and have such a fantastic start to the new year. We hope you had a lovely summer break! Thank you all for the prompt drop-off and collection which is making the start and end of the day run so smoothly.

I would particularly like to welcome the children and families new to William Tyndale this year as well as three new teachers – **Katya** in **Daffodil Class** (Reception), **Michelle** in **Fuchsia Class** (Year 1) and **Marianne** in **Orchid Class** (Year 4).

From next week, parents from each year group will be invited to a **Virtual Parent Information meeting via Google Classroom**. These are all scheduled to **start at 4pm**, please see the relevant dates in the Events bar (*right*). Please make sure to attend; the meeting will provide you with vital information about what your child will be learning, the expectations of the year group and the various resources available so you can support your child's learning and well-being. You will receive an email with the link.

Please be aware that **Friday 22<sup>nd</sup> October** will be an **extra day of the half term break**; see below for more information.

We are pleased to be able to ask reading volunteers back into the building. If you can offer an hour or more of your time and would be interested in reading with children (not in your child's class), please email [parentmessages@williamtyndale.islington.sch.uk](mailto:parentmessages@williamtyndale.islington.sch.uk). The school will provide training and will organise your DBS.

Please could **all parents and carers** fill in our **school meals form**, regardless of income and whether or not your child eats a school meal or a packed lunch? Kindly return it to **Tina**, in the school office. The form is attached to this newsletter and a Word version is on the school website that can be annotated and emailed to [parentmessages@williamtyndale.islington.sch.uk](mailto:parentmessages@williamtyndale.islington.sch.uk).

September's Skill of the Month is **LISTENING** and our Right of the Month is **ARTICLE 28: ACCESS TO EDUCATION**. Please read below for more information.

Have a wonderful weekend!

Assistant Head Teacher

## Why do we have an extra day of the Half Term on Friday 22nd October?

The Government has announced an extra Bank Holiday on 3<sup>rd</sup> June 2022, in recognition of the Queen's Platinum Jubilee. The day falls in many schools' summer half term break, including ours. In these cases the Government has reduced the number of school days to 189, allowing an extra day of holiday during the academic year. At William Tyndale, we are going to add a day onto the Autumn Half Term; the result of this will be that school will **finish at 3.30pm on Thursday 21<sup>st</sup> October**, with the half term beginning on **Friday 22<sup>nd</sup>**. The **return to school** will be as normal on **Monday 1<sup>st</sup> November**.

### Collection Arrangements

Thank you so much to all of you who have completed the Collection Arrangements form, if you have not yet done so, please complete it [here](#).

If anything changes from this information, please call the school office or email [parentmessages@williamtyndale.islington.sch](mailto:parentmessages@williamtyndale.islington.sch) by 3 pm, as we cannot let any child go home with someone else, *even if we know who they are*, unless you have given your permission for this to happen. **Any child not collected by 3:30pm will be taken to Kid's Club. Kid's Club charges will apply.**

You will find more information about this and other aspects of school life in the [Parent and Carer Handbook](#) on the School Website.

### PUNCTUALITY and ATTENDANCE

#### **Punctuality**

Children are happier when they arrive punctually at school and their learning gets off to a fine start. We have many incentives to encourage children to arrive punctually, including class cups, certificates and medals. Please remember:

- **The school gates open at 8.45am** and children are able to go straight to their classes.
- **School starts at 8.55am** but we give you a 5-minute grace period to account for unforeseen circumstances; therefore, any child arriving **after 9am will be marked late.**

#### **Attendance (subject to COVID restrictions)**

It is really important to a child's feeling of security that they are brought in regularly and that parents arrive and depart promptly once they are settled. Children who arrive late can become distressed and find it hard to settle to their activities. Again, at home time, please collect your child promptly as they can become very anxious if you are late.

Please find further information in the [Parent and Carer Handbook](#) on the school website.

The school and Educational Welfare monitor attendance on a regular basis. We expect children to have **at least 95% attendance. If your child's absence falls below 95% then Educational Welfare will be in contact. A child is considered a persistent absentee once their attendance falls to 90%.**

Please let us know of any changes in your child's home life, routines or health that may affect their attendance or punctuality at school, so we can support you accordingly. If you would like any more details about punctuality and attendance, please see Penny in the school office.

Children are welcome to wear watches and stud earrings – no hooped earrings of any kind are allowed.

# September Right of the Month

## The Right to Learn

### Article 28

Throughout September, children will have assemblies to discuss the Right to Learn and each class will be creating a Class Charter to support a positive learning environment for all children. This is an opportunity for all children to learn more about all the Rights of the Child and helps to establish shared values and relationships for creating a Rights Respecting ethos in the classroom.

Here are some examples of previous year's charters:

## Secondary Transfer 2022

If your child is in Year 6, now is the time to think about applying for Secondary schools. The Secondary Transfer brochure is available on the Islington website – go to [www.islington.gov.uk/admissions](http://www.islington.gov.uk/admissions)

The closing date for applications is **31<sup>st</sup> October 2021**. Islington Council recommend that you apply by **18<sup>th</sup> October** in case there are any problems.

# Reading and Maths Resources

All children from Year 1 upwards have an individual Reading Eggs password. Please ask your class teacher if you need your password.

Please login at [www.readingeggs.co.uk](http://www.readingeggs.co.uk).

**Doodle Maths** is an app that allows children to practise their mathematical skills independently, both in school and at home. **Doodle Maths** works by assessing areas of maths that children complete easily or find challenging; it then re-assigns questions to teach children new mathematical learning in small steps.

Your child has been given a **username** and **password**, and has been shown how to log in and use **Doodle Maths**.

It is very important that children complete the activities on **Doodle Maths** independently so that the app can assess which areas they need further practice in. Please do not help your children by giving them the answers, but direct them to the hints and explanations that can be found in the help section at the top of each question.

To link with your child's account, follow these simple steps:

- Download the **Doodle Maths** app;
  - Ask your child to sign in, using the details they have been given;
  - Tap on the Grown Ups section and follow the instructions there to link yourself to your child;
  - Login to [www.parents.doodlemaths.com](http://www.parents.doodlemaths.com) with your Grown Ups username and password and click on Monitor - Live so you can see how your child is doing as they complete their exercise; and
  - Download the Parent Connect app where you can see a snapshot of what your child is doing.
- Encourage your child/ren to earn at least 50 Doodle Stars a week and get instant updates through your app.

Your child has been given a **username** and **password**, and has been shown how to log in and use **Doodle Maths**. Please ask your class teacher if you need a reminder.
